SENATOR CARPENTER: Objection to Senator DeCamp's amendment. I move for it's adopt....I assist in moving for its adoption. One reason I say that because I happen to be the introducer of the bill.

PRESIDENT: Okay, Senator DeCamp.

SENATOR DE CAMP: I'd accept the acceptance by Senator Carpenter. It's very simple amendment, just clarifies some of the powers of the Liquor Commission broadens them in areas where it's been questionable before.

PRESIDENT: Any further discussion of the motion? Question is then shall the amendment be adopted? All those in favor vote aye. Those opposed vote no. Voting on the adoption of the DeCamp amendment to LB616 on Select File. Once again the Chair would advise you that that motion still takes 25 votes. Thank you. Clerk will record.

CLERK: 25 ayes, Mr. President, on the motion to adopt.

PRESIDENT: The motion is adopted. Are there other amendments?

CLERK: Now, Mr. President, there are other amendments. One offered by Senator Frank Lewis and it's set out in full on page 851 of the Legislative Journal.

PRESIDENT: The Chair recognizes Senator Frank Lewis. Thank you. Senator Carpenter reports he has no objection to the amendment. Senator Lewis, back to you.

SENATOR FRANK LEWIS: Mr. Chairman, this is correct, to correct a slight problem for some of the small retailers in the urban area that can run in and pick up a partial case without necessarily having to have it transported by and pay the cost of transportation.

PRESIDENT: Any further discussion of the Lewis, Frank Lewis amendment? Question is then, shall the Frank Lewis amendment to LB616 on Select File be adopted? All those in favor vote aye. All those opposed vote no. You are voting now on the Senator Frank Lewis amendment to LB616 on Select File. The amendment is found on page 851. The motion requires 25 votes. Senator Lewis, what is your pleasure? Voting on Senator Lewis' amendment to LB616 on Select File. Thank you. Clerk will record.

CLERK: 25 ayes, no nays, Mr. President.

PRESIDENT: The amendment is adopted.

CLERK: Mr. President, there are now further amendments. The next one is offered by Senator Waldron and it is found on page 851 of the Legislative Journal. Strike the renumbered Section 3 of the original bill.

PRESIDENT: The Chair recognizes Senator Waldron.

SENATOR WALDRON: Mr. President, members of the Legislature. I ask this amendment be adopted. You recall that there was some confusion when we first took up the committee amendments and I had made a mistake here and this was part of the committee amendments. It had been put out in two different reports, one signed by Senator Cavanaugh and the other signed by myself. This is part of the committee amendment and all it does is strike out of the bill any reference to bottle clubs. We did not need to try to change any bottle club
